

Dear Western States Runners,

It is with regret that I write this invitation, as I know having such a monumental race be canceled is an extreme disappointment. As a runner myself, I can only imagine the tremendous let down of the latest news. Not only the cancellation of the race, but the devastation that these fires are causing to our forests.

I would like to offer you an opportunity to still race on June 28 at the Chill Towels Running with the Devil 50 miler. We are located on the outskirts of Las Vegas at Lake Mead NRA.

*For WS100 runners only:* I would like to extend to you a **nearly 50% off discount** for the Devil 50 miler. Your discounted price would be \$70, paid in cash or credit card at the packet pick up on Friday from 5-9pm or on race morning. We offer 2 start times, 6am or 8am. Please consult the course descriptions for an explanation.

If you would like to take me up on this offer- do NOT sign up on active.com- as I do not have a coupon code enabled for you.

PLEASE however, if you intend to join us for the Devil, please email me at [info@calicoracing.com](mailto:info@calicoracing.com) or phone 702-812-2609 ASAP so that I can adequately prepare to accommodate the extra runners. I'll likely be brief on the phone, please don't take offense!

Sincerely,  
Joyce
